INFORMATIONS

MUSUBI AIKIDO ITALIA

THE SENSEI

Kaname Ariga was born in Oct the 22, in 1973 in Chiba Prefecture. Since 28 he lives in Saku as Aikido Professional and Endo Shihan's Uchideshi.

He propose and Aikido that joint the opposites: Cheerish and Effectiveness, Deeply Traditional but always Innovative, working on center, timing and feeling but with a complete physic participation.

We aspect a path that will not be a kata resumen but a journey through the pure movement.

So we ask you to join the seminar with a research and investigative spirit and not with an "exhibition attitude".

The seminar will have limited places. So we ask you to reserve it early. It will be possible to book a single lesson place on stage, if some places will be aviables.

To join the seminar we request a valid insurance for the 2023.

It will not be possible to photograph or record the classes.

It will not be possible to join the classes on late.

There will be a promo for those who will join both seminars: Spain + Italy.
